BOOKS RECENTLY RECEIVED

Following is a list of books that have recently become available for review. We welcome readers with suitable expertise to serve as reviewers. If one of these titles interests you, please e-mail JournalBooks@mmc.edu, telling us you would like to review it and briefly explaining your interest. If you know of a book that would be suitable for review in *JHCPU* that we have not listed on this page (or in past issues), please let us know that as well. Thank you in advance for your help. We welcome review copies from publishers of books in the area of health and health care for underserved populations, especially in the United States. Publishers are asked to send two review copies.
