## a journal for the intermingling of literary, cultural and theoretical scholarship

*symploke* is a comparative theory and literature journal. Our aim is to provide an arena for critical exchange between established and emerging voices in the field. We support new and developing notions of comparative literature, and are committed to interdisciplinary studies, intellectual pluralism, and open discussion. We are particularly interested in scholarship on the interrelations among philosophy, literature, culture criticism and intellectual history, though will consider articles on any aspect of the intermingling of discourses and disciplines.
