Editor's Note

With the publication of Volume 50 of *The Eighteenth Century: Theory and Interpretation*, we are delighted to announce that the journal will now be published under the auspices of the University of Pennsylvania Press, a leading publisher of books in early modern studies. Our move to Penn Press signals their expanded commitment to this vital area of scholarship. *The Eighteenth Century* will now appear quarterly and each issue will be lengthened, developments that speak to the increasingly vibrant field of eighteenth-century studies and our authors' exciting contributions to it.

Addresses for editorial content and book reviews remain the same. Subscriptions are now handled by Penn Press. Our website remains unchanged (<http://ecti.english.illinois.edu/>) and Penn Press now hosts a page for *The Eighteenth Century* on their website as well.
