Editor's Note

This issue of the *AJTP* is the first for which I have served as editor and also the first to be published by the University of Illinois Press. I want to thank my colleagues at Illinois for their guidance and support during the last several months. I look forward to working with them in the months and years ahead. I want also to thank Jennifer Jesse and J. Wesley Robbins, editors of this journal for the last decade, not only for their helpfulness during this transition period, but for the brilliant work that they did in shaping the *AJTP*, making it a premier forum for the serious discussion of issues in American theology and philosophy. Their steadfast service to HIARPT and to the *AJTP*, as well as that provided by Pamela and Donald Crosby and Rebecca Chambers, surely ought to be applauded in the pages of this journal—and I am more than blithe to do so!
