Memory

Ben Blakey

*Ben Blakey, who studies music
at the royal Conservatory of
Music (Toronto), is currently
working on a book of poems.*

Stop.
Frozen time.
Where were you when it happened?
Who were you, anyway?
Who are you now?

Cheat.
Just this once.
Why did you have to do it?
Why do you regret it so?
How has it changed you?

Lie.
Through your teeth.
Can't you just ignore it?
Why won't it go away?
Who will you become

Think.
Use your head.
To whom do you owe the changes in your
life?
How could you live your life without them?
Who are your friends?

Go.

Sure and swift.

Why wouldn't you try to save yourself

What could possibly get in your way?

What do you want to be?
