dear citizen

dear citizen of conscience
frustrated by heirs
im writing you
understanding
that you already know
you already know
how the world works
you grasp the pressing
you know power history
the suffering
salved misery
shed naivete
abandoned platitudes
accepted violence
u [no] revolution sparkle
u [no] bloody progress
u crave the beauty of threat,
the enigma of violence
u already [no]
they good
at what they do
they really good
at what they do
authoritarian regimes
the blue blood
banner u live
under
they are really good
at benevolence
serving wood bread
ghost stories
all those protests
& *progressive* laws
make america run fast,
perplex revolution
all those protests
& *progressive* laws
perfect pilfer,
equivocate order

no matter
how high
empty glass boxes rise
citizen comply

u already [no]

plutocrats
how much they pilfer

u already [no]
u dont have a clue
how much they really pilfer

plutocrats buy politicians
20th-century history
plutocrats buy politicians
the history of fascism

plutocrats gave academia
to the liberals
liberals got plump from
cafeteria bread crumbs

plutocrats want university back
u already [no]
cause revolutions on life support

u already [no]
ask the wisconsin badgers
if you dont think so
but you wont cause

u already [no]

u already [no]
america is divided
inherently divided
what people believe in
red states and blue

the constitution
the founding fathers
paper protection for pilfer
the founding slaveowners

u already [no]
surveillance

u already [no]
no secrets

u already [no]
off-the-grid extinction

u already [no]

that if it is
it wont be
much longer

what happens when u
think thoughts
unapproved?
whats certain
if u act on thoughts unapproved?
what they did
to the king
u already [no]
what they did to the x
what they did to the panthers
what they did in kent
where anti-commies sold crack
who is locked up for smoke
U know
who gets rich off of amendment
2 who gets locked up for smoke
america was open door
until the browns 2 stepped in
but i dont
have 2
tell u this cause
u already [no]
U know
so whats a citizen
of good conscience
frustrated by heirs
to do?
vote 4 a pawn?
protest the body drop?
talk about topics and issues?
vote 4 a drone?
explode organic perdition?
talk about issues and topics?
vote 4 a casualty?
la la
la
la la
la
limbo
our cup spilleth over,
plundered remorse
dear citizen of conscience
frustrated by heirs
i am writing u
