THEORY AND INTERPRETATION OF NARRATIVE

James Phelan, Peter J. Rabinowitz, and Robyn Warhol, Series Editors

Because the series editors believe that the most significant work in narrative studies today contributes both to our knowledge of specific narratives and to our understanding of narrative in general, studies in the series typically offer interpretations of individual narratives and address significant theoretical issues underlying those interpretations. The series does not privilege one critical perspective but is open to work from any strong theoretical position.

A Poetics of Unnatural Narrative
