THE MODERN

A black and white photograph of a vintage passenger train car, likely from the mid-20th century. The car is dark-colored with riveted panels and several windows. A person is visible standing in the open doorway on the right side. The train is on tracks, with gravel and dirt visible in the foreground. The title 'ERA: TALES OF RAILS AND HIGHWAYS' is overlaid in a large, white, serif font across the center of the image.
