GENERAL EDITOR'S INTRODUCTION

The present volume, containing an edition of ll. 17289–21346 of *Cursor Mundi*, was originally intended to be part of the final volume of a three-part series. It has been decided, however, to publish this section separately as Vol. IV, with ll. 9229–12712 to appear next as Vol. II. Vol. V will contain ll. 21347–23898, as well as the General Introduction and Glossary.

The General Editor wishes to thank the Social Sciences and Humanities Research Council of Canada for a generous research time stipend and travel grant.
