## UNDO

I drew a finger through the air with its memory objects—  
*there's nothing*

but there is. I leaned the gray word  
against the wall with the clock

and the dark compositions of *Prohibition* and *Desire*,  
space between thought going off  
and coming back—

*Undo*—

choppy feeling of the heart—  
so much hope  
as the bubble floats.
