- spark gap, 12–13, 15–16, 19, 21, 40
- spectrum paradigm. *See* radio spectrum
- static (static noise), 43; balanced amplifier, 82–88, 90, 105, 140; belief that wider FM channels allow more, 85, 87, 90–91, 95, 101, 140; belief that wider frequency swing of FM suppresses, 100–103; distortion, 87, 91; electrification, 38; NBFM and, 43–44, 54–55, 57, 60, 135, 136, 140; tube noise, 91–92, 94–95
- Staudenmaier, John, 8–9
- stereophonic radio: FM, 134, 141, 176n10; AM, 127–28
- Sterling, Christopher (*Sounds of Change*), 8, 157n7
- Stokes, W. E. D. (Weddy), Jr., 32–33, 159n40
- superheterodyne circuit, 43, 62, 165n4
- superregeneration circuit, 62–63, 165n5
- tacit knowledge, 19, 30
- Taylor, C. H. (RCAC), 65, 103, 104
- technological determinism, 9–10, 138–39
- telephony, overland: audio fidelity compared with AWBFM, 119; metaphor for radio broadcasting, 40
- television, 2, 39, 60, 96–97, 100, 109, 111; channel 1 and AWBFM, 126, 133–34; FM used for, 71, 88, 119
- Thomson, Elihu, 27
- transatlantic shortwave radio. *See* shortwave radio tripler. *See* frequency multiplier
- tube noise (or tube hiss), 89–95, 105, 114, 123
- Tunick, Harry (RCA), 75, 100–101. *See also* lawyers tuning. *See* resonance
- unification plan (of RCA), 61, 64–66, 136–37
- United States, FM bin, 141
- U.S. Congress, 33–34, 38–42, 99, 108, 127
- U.S. Patent Office, 1, 19, 63, 85
- Victor Talking Machine Company, 64–65. *See also* RCA; RCA Victor
- Vincenti, Walter, 139
- Wajcman, Judy, 138–39
- Walpole, Horace, 77–78, 115, 167 (epigraph note)
- Warner, K. B. (*QST*), 41, 125
- Western Electric Company (manufacturing arm of AT&T), 49–50, 58–60. *See also* AT&T
- Westhampton Beach demonstration (12 June 1934), 35, 101–6
- Westinghouse (Westinghouse Electric & Manufacturing Company), 28, 37, 48–59, 61–62, 64–67, 72, 136–37; regeneration patent litigation, 98, 170n46; FM pioneers, 122, 131
- World War I, 27–28, 35, 37, 79, 136; EHA military service, 34–35, 62
- World War II, 120, 124, 141
- Wozencraft, Frank W. (RCA lawyer), 133–34
- X modulation, 73, 75
- Yankee Network, 120–22, 126
