MANUSCRIPTS

Manuscripts intended for publication, including reviews, should be submitted electronically through the Journal of Film and Video online manuscript submission system. This secure, personalized resource will allow you to track your manuscript through each step of the review and acceptance process. To begin, see http://www.press.uillinois.edu/journals/ojs/index.php/jfv/user/register to set up your personal account and upload your submission. Since submissions are reviewed anonymously, author names should be removed from the article, including running heads, references, and notes. The document should be US letter size, and page numbers should appear at the top right of all pages after page 1. All parts of the article must be double spaced, with 1” margins. Photographs or illustrations should be numbered and sent as separate “supplementary files” in the online upload system, with the desired location clearly indicated in the main text. All photos and illustrations should be submitted as separate TIFF image files with image quality of at least 300 dpi. These should be accompanied by captions, credit lines, and secured permission(s) for reprint, and their desired location should be clearly indicated in the main text.
