Moving beyond the paradigmatic divides of area studies, *Comparative Studies of South Asia, Africa and the Middle East* explores the shared concerns and histories of these regions, offers stimulating perspectives on interdisciplinary debates, and challenges established analytic models. *CSSAAME* publishes articles from around the world, providing a distinctive link between scholars living and working in Africa, the Middle East, and Asia and their counterparts in Europe and the Americas.

CSSAAME is published three times a year by Duke University Press, 905 W. Main St., Suite 18B, Durham, NC 27701.
