*Land Economics* publishes papers related to the economics of natural and environmental resources, emphasizing conceptual and/or empirical work with direct relevance for public policy. Founded in 1925 as the *Journal of Land and Public Utility Economics*, the publication features research related to environmental quality, natural resources, housing, urban and rural land use, transportation, and other areas in both developed and developing country contexts.

*Land Economics* is published quarterly (February, May, August, November) by the University of Wisconsin Press. *Land Economics* is available online with value-added research tools, at no additional cost, to subscribers of the print version. Correspondence regarding subscriptions, requests for advertising rate cards, ordering back issues, and other business should be sent to: Journals Division, University of Wisconsin Press, 728 State Street, Suite 443, Madison, WI 53706-1418, U.S.A., journals@uwpress.wisc.edu, uwpress.wisc.edu/journals/. Annual subscription rates for print and electronic are \$484 for institutions and \$140 for individuals; rates are \$411 for only electronic for institutions and \$114 for individuals (foreign postage is \$40 a year additional; Canadian subscribers add 5% goods and services tax).
