Frank J. Malina founded the journal Leonardo in 1967 as a professional journal for working artists to write about their own work. The journal’s interdisciplinary aims and scope reflect his many achievements as an aeronautical engineer, pioneer in rocketry, research administrator, promoter of international cooperation, artist and editor.

PUBLICATIONS
JOURNAL: The Leonardo journal, a scholarly peer-reviewed journal of record, is the flagship publication of Leonardo/ISAST.

ONLINE: The Leonardo website (leonardo.info) publishes organizational information, the Leonardo Electronic Directory and more.

ELECTRONIC JOURNAL: Leonardo Electronic Almanac (leonalmanac.org) is an electronic journal dedicated to providing a forum for those who are interested in the realm where art, science and technology converge. Editor-in-Chief: Lanfranco Aceti.

LEONARDO REVIEWS: The Leonardo Reviews Project, through a panel of reviewers, publishes reviews of books, journals, electronic publications and events. Reviews are published on the Web (www.leonardo.info/reviews), and selected reviews are published in Leonardo Electronic Almanac and in Leonardo.

BOOKS: The Leonardo Book Series (leonardo.info/books), published by the MIT Press, highlights topics related to art, science and developing technologies. Editor-in-Chief: Sean Cubitt.

LARS DATABASES: Databases of master’s and Ph.D. theses. English LABS: www.leonardo.info/labs; Editor-in-Chief: Sheila Pinkel.

PODCAST: Between Art and Science is the podcast of Leonardo/ISAST: www.leonardo.info/podcast.

MISSION STATEMENT
Leonardo fosters transformation at the nexus of art, science and technology, because complex problems require creative solutions. We serve to empower an inclusive global network, a borderless community where all belong in pursuit of a more vibrant, just and regenerative world.
