The Missouri Review is published by the College of Arts & Science of the University of Missouri, with private contributions. Financial assistance for this project has also been provided by the Missouri Arts Council, a state agency.

The editors invite unsolicited submissions of poetry, fiction, and essays with a distinct literary bent. We welcome submissions from diverse voices and from writers early in their careers. Online submissions are encouraged. For more information about how to submit online or by mail, please visit www.missourireview.com.
