En la portada: La gráfica popular fue un elemento importante de la campaña presidencial del 2022 en Colombia, cuando la ciudadanía se tomó los muros del país para expresar su apoyo al Pacto Histórico y la candidatura de Francia Márquez y Gustavo Petro. Este mural, del artista urbano Sagauno, apareció poco después de la primera vuelta y estuvo ubicado en el Parque de los Periodistas, en el centro de Bogotá (foto por Paola Castañeda Londoño).

On the cover: Street art was an important element of the 2022 Colombian presidential campaign. People took to walls throughout the country to express their support of the Pacto Histórico and the candidacy of Francia Márquez y Gustavo Petro. This mural, from urban artist Saguano, showed up at the Parque de los Periodistas in the center of Bogotá a short time after the first election round (photo by Paola Castañeda Londoño).
