The National Trust, concerned about the responsible stewardship of the environment, has published this journal on recycled paper that meets the EPA mandate of containing at least 50% waste paper.

The National Trust for Historic Preservation provides leadership, education, and advocacy to save America's diverse places and revitalize our communities.

F O R U M

NATIONAL TRUST
for HISTORIC PRESERVATION™

membership dues; endowment funds; individual, corporate, and foundation contributions; and grants from state and federal agencies. National Trust Forum Journal is a forum in which to express opinions, encourage debate, and convey information of importance and of general interest to Forum members of the National Trust. Inclusion of material or product references does not constitute an endorsement by the National Trust for Historic Preservation.
