The National Trust, concerned about the responsible stewardship of the environment, has published this journal on recycled paper that meets the EPA mandate of containing at least 50% waste paper.

The National Trust for Historic Preservation, a private, nonprofit membership organization, champions preservation by providing leadership, education, advocacy, and resources to people working to preserve, improve, and enjoy the places that matter to them. Its Washington, DC headquarters staff, six regional offices, and 28 historic sites work with the Trust's 270,000 members and thousands of local community groups in all 50 states. For more information, visit the National Trust's website at [www.nationaltrust.org](http://www.nationaltrust.org).
