CORRECTION On pages 26 and 31 of the Autumn 2024 issue, E. W. “Bert” Pfeiffer served as an assistant professor of anatomy in the medical school at the University of North Dakota in Grand Forks during the late 1950s, not at North Dakota State University, which was then known as North Dakota Agricultural College. We apologize for the error.

We acknowledge that the offices of *Montana The Magazine of Western History* at the Montana Historical Society are on the ancestral lands of the Niitsítapi and Séliš peoples. We acknowledge the displacement of these and other tribes from their spiritual and cultural homelands through settler-colonialism and offer our respect to the many diverse Indigenous peoples connected to this region.
