Of genius, power,
Creation and divinity itself
I have been speaking, for my theme has been
What passed within me. Not of outward things
Done visibly for other minds, words, signs,
Symbols or actions, but of my own heart
Have I been speaking, and my youthful mind.
O Heavens! how awful is the might of souls,
And what they do within themselves while yet
The yoke of earth is new to them, the world
Nothing but a wild field where they were sown.
This is, in truth, heroic argument,
This genuine prowess, which I wished to touch
With hand however weak, but in the main
It lies far hidden from the reach of words.
