Abbreviations

BA  Bibliotheque augustinienne: Oeuvres de saint Augustin, 85 vols. (projected), (Paris: Desclée de Brouwer, 1945-).

Br.  Followed by a number, refers to the number of a “Pensee” in the various Brunschvicg editions.

Biblical quotations in English are from the Revised Standard Version; quotations in French or Latin are as they appear in the author under discussion, and in the case of Pascal are usually his own translations from the Vulgate.
