MORE IN THE WAVELENGTHS SERIES

Can the Obesity Crisis Be Reversed?
Rexford S. Ahima, MD, PhD

“Dr. Ahima’s experience shines through in this update on treatment approaches and helpful strategies for those dealing with the chronic disease of obesity.”—Kelly Allison, Director, Center for Weight and Eating Disorders, University of Pennsylvania

Why Are Health Disparities Everyone’s Problem?
Lisa Cooper, MD, MPH

“Dr. Cooper’s personal and professional journey is both riveting and inspiring. Why Are Health Disparities Everyone’s Problem? is not only an essential read but a central question for our time.”—Marc H. Morial, President/CEO, National Urban League / former Mayor of New Orleans

Can Fixing Dinner Fix the Planet?
Jessica Fanzo, PhD

“Jessica Fanzo has seen it all, read everything, and talked to everyone. You can have no better, more knowledgeable guide to the mess the food system is in, and how we can get out of it. If you want to do something about the global nutrition crisis, read her book, and roll up your sleeves, as she does.”—Luigi Guarino, Crop Trust / Svalbard Seed Vault
