Acknowledgements

I would like to thank the following for their help: Ian Biddle for support and the loan of his copy of Henri Lefebvre’s *The Production of Space*, Mitch Rose for discussion of his work and directing me to other useful ideas, Kirsty Hooper for discussions about traces and tracing, Beate Müller for helpful comments on some sections of my work, Sarah Leahy for drawing my attention to the work of Fiona Handyside, Deborah Shaw for sharing her work on Guillermo del Toro, Belén Vidal for allowing me to see an early draft of her work on *Torremolinos 73*, and Tom Whittaker for sharing his work on landscape in Spanish cinema. Parts of Chapters 2, 4, 5, 6 and 8 were given at conferences or as invited papers: thanks to participants and attendees who gave useful comments.

All translations from Spanish and French are my own.
