Editorial Board
Sarah Carter
Kelly Lytle Hernández
Paul Mapp
Cynthia Radding
Samuel Truett

The study of borderlands—places where different peoples meet and no one polity reigns supreme—is undergoing a renaissance. The David J. Weber Series in the New Borderlands History publishes works from both established and emerging scholars that examine borderlands from the precontact era to the present. The series explores contested boundaries and the intercultural dynamics surrounding them and includes projects covering a wide range of time and space within North America and beyond, including both Atlantic and Pacific worlds.

Published with support provided by the William P. Clements Center for Southwest Studies at Southern Methodist University in Dallas, Texas.
