Ballad of the Buried Life
From 1949 to 2004, UNC Press and the UNC Department of Germanic & Slavic Languages and Literatures published the UNC Studies in the Germanic Languages and Literatures series. Monographs, anthologies, and critical editions in the series covered an array of topics including medieval and modern literature, theater, linguistics, philology, onomastics, and the history of ideas. Through the generous support of the National Endowment for the Humanities and the Andrew W. Mellon Foundation, books in the series have been reissued in new paperback and open access digital editions. For a complete list of books visit www.uncpress.org.
