Islamic Civilization and Muslim Networks

*Carl W. Ernst and Bruce B. Lawrence, editors*

Highlighting themes with historical as well as contemporary significance, Islamic Civilization and Muslim Networks features works that explore Islamic societies and Muslim peoples from a fresh perspective, drawing on new interpretive frameworks or theoretical strategies in a variety of disciplines. Special emphasis is given to systems of exchange that have promoted the creation and development of Islamic identities—cultural, religious, or geopolitical. The series spans all periods and regions of Islamic civilization.

A complete list of titles published in this series appears at the end of the book.
