21st Century Prose
Series editor: Matthew Vollmer, Virginia Tech

The 21st Century Prose series celebrates varieties of forms—of prose that breaks the rules, bends conventions, and reconfigures genre. The books in this series engage playfulness and experimentation without sacrificing accessibility and readability. The voices represented in the series come alive on the page through prose that is at once down-to-earth and also a reflection of an artist at home with his or her improvisations. Life-affirming but convention-defying, the language in these books strives to be both groundbreaking and readable. The 21st Century Prose series listens for and endorses voices that have been marginalized, reports from zones—physical and spiritual and emotional—from which we have yet to hear. Kind-hearted renegades. Things we can’t describe but that leave us pleasantly puzzled, forcing us to say, “listen, just read it.”
