1.1 Map of Mesoamerica showing major sites and areas mentioned in the text  3
1.2 Map of the Naco valley showing the distribution of known Roble phase (Late Postclassic) settlements  11
1.3 Map of Southeast Mesoamerica showing sites and areas mentioned in the text  14
1.4 Selection of diagnostic Naco Viejo Ceramic Complex forms  15
3.1 Map of Site PVN 306  46
3.2 Section through Structure 306-105 at Site PVN 306  48
3.3 Structure 306-21, section, at Site PVN 306  54
3.4 Structure 306-128, section, at Site PVN 306  56
3.5 Structure 306-125, plan  58
3.6 Structure 306-17, plan  62
3.7 Structure 306-17, section  63
3.8 Structure 306-17, northern steps and bordering terraces  63
3.9 Monument 1, found atop Structure 306-17  64
FIGURES

3.10 Structure 306-19, plan 65
3.11 Structure 306-19, exposed terminus of one of the building’s projecting spokes 66
3.12 Structure 306-19, section showing details of multiple plastering 67
3.13 Structure 306-20, plan 67
3.14 Sections of the middens originally designated Structure 306-182 and Structure 306-164 68
3.15 Structure 306-86, in situ deposit containing a nearly complete spiked incensario and stone sphere 74
3.16 Section through the Suboperation 306AL/BQ midden 76
3.17 Structure 306-79, plan 78
3.18 Section through the Suboperation 306AR/BL midden 82
4.1 Map of Site PVN 144 94
4.2 Structure 144-1, plan, at Site PVN 144 95
4.3 Structure 144-2, plan, at Site PVN 144 96
4.4 Structure 144-11, plan 101
4.5 Structure 144-5, plan 103
4.6 Structure 144-5, section through the Unit 1 basin 104
4.7 Structure 144-5, three-dimensional rendering of the Unit 1 basin 105
4.8 Plan of final-phase architecture, Structures 144-8 and 144-18 108
4.9 Elevation of Structure 144-8’s west side 109
4.10 Structure 144-19, section 114
5.1 Roble phase Naco site core 129
5.2 Structure 4F-1, plan 130
7.1 Ceramic mold for pottery production 173
7.2 Ceramic spindle whorls and grooved fired clay spheres from Roble phase Naco valley contexts 175
8.1 Designs from polychrome and bichrome decorated ceramic vessels diagnostic of Roble phase Naco valley collections 183
8.2 Roble phase vessels with serpent motifs 184
8.3 “Braid motif” from red-on-natural and red-on-white decorated vessels dating to the Late/Terminal Classic and Roble phase in the Naco valley 189
8.4 Additional comparisons of the “braid design” on Late/Terminal Classic and Roble phase vessels 190
8.5 Late and Terminal Classic bichromes and polychromes from the Naco valley 191
8.6 Roble phase ceramic figurine 201
9.1 Map of settlement distribution within the Late and Terminal Classic Naco valley 206
9.2 Map of Site PVN 128, a Terminal Classic center in the Naco valley 208
9.3 Examples of candeleros, incensarios, and figurines dating to the Late and Terminal Classic in the Naco valley 214
9.4 Roble phase tube-handle ladle incensarios from test excavations conducted in Naco 215
10.1 Map of the La Sierra site core 238
