Preface xi
Acknowledgments xiii
Introduction 1

Chapter One
Native Landscapes of the Intermountain West 5
Desert Plant Communities 14
Semi-desert Plant Communities 16
Foothill Plant Communities 19
Mountain Plant Communities 21

Chapter Two
How to Design Native Landscapes 24
Getting Started on Design 25
Design Features of Native Landscapes 27
Species Composition 27
Spatial Configuration 27
Structure 29
Aesthetic Elements 29
Step-by-step Native Landscape Design 32
Characterizing Your Site 34
Considering How You Will Use Your Landscape 41
Planning Landscape Water Zones 44
Creating the Mass/Space Diagram 50
Laying Out the Landscape Plan 52
Choosing the Plants 59
Foothill Zone Plant Selection Example 59
Desert Zone Plant Selection Example 61
Semi-desert Zone Plant Selection Example 64
Preparing the Planting Plan 66
Planning Plant Placement 67
Visualizing the Plan 69
Chapter Three
How to Water Native Landscapes 71
Water Harvesting 72
Adding Supplemental Water 74
  A Primer on Drip Irrigation 75
  Drip Layout 75
  Emitter Basics 79
  Putting the Pieces Together 81
How Much to Water 83
  Random Versus Regular Spacing 87
Designing a Drip Irrigation System 89

Chapter Four
How to Install Native Landscapes 96
Planning the Installation 96
Carrying out Site Modifications 99
  Taking Out Existing Plantings 99
Weed Control 101
  Dealing with Drainage 102
Installing Hardscape 105
Installing the Watering System 108
Preparing the Planting Areas 111
Obtaining the Plants 112
Laying Out thePlanting Plan on the Ground 114
Planting 114
Mulching 116
Watering to Establish 117

Chapter Five
How to Care for Native Landscapes 119
Hardscape and Watering System Maintenance 120
Long-term Watering 120
Staying Ahead of the Weeds 123
Maintaining Mulch 126
Keeping Natives Looking Their Best 126
Change in the Native Landscape 128
Chapter Six
Native Landscape Pioneers Tell Their Stories 131
Return of the Natives – Phil and Judy Allen 131
Sharing a Patch of Sagebrush – Jan Nachlinger 136
Accidental Journey into Native Plant Landscaping – Randall Nish 140
Tabula Rasa – Carl Dede and Angie Evenden 144
Starting Small, Becoming Emboldened
– Ann DeBolt and Roger Rosentreter 148
Learning by Trial and Error, or Life Is Change – Roger Kjelgren 152
Designing on the Native Plant Frontier – Bettina Schultz 155

Chapter Seven
The Plant Palette 159
Perennials: Minimal Water Use 166
Perennials: Low Water Use 173
Perennials: Medium Water Use 182
Perennials: High Water Use 188
Woody Plants: Minimal Water Use 194
Woody Plants: Low Water Use 198
Woody Plants: Medium Water Use 202
Woody Plants: High Water Use 212
Plant Attribute Tables 219
Plant Names Index 221

Appendix: Resources for Further Information 227
