Gay Bar
To the Boys
In the millions who are silent and submerged, I see a potential, a reservoir of protest, a hope for a portion of mankind. And in my knowledge that our number is legion, I raise my head high and proclaim that we, the voiceless millions, are human beings, entitled to breathe the fresh air and enjoy, with all humanity, the pleasures of life and love on God’s green earth.

Donald Webster Cory, *The Homosexual in America*
