Illustrations

Except when noted otherwise, these photographs were taken by the Rev. Claude Pickens, Jr., during two trips to northwest China in the 1930s. He traveled on horseback all over the Hezhou, Xunhua, Xining, and Ningxia regions and took thousands of photographs. The entire collection is deposited with the Harvard-Yenching Library, Harvard University.

following page 92

1. Eroded, dry eastern Gansu hill country
