The Yiery foreigners migrated, following along the foreigners’ river gorges, settling at Didilurkur. Migrating from Didilurkur, they settled at Lololurkur; migrating from Lololurkur, they settled at Bozzylurkur; migrating from Bozzylurkur, they settled at Dichelurkur; migrating from Dichelurkur, they settled at Avyzzigo; migrating from Avyzzigo, they settled at Xynilurkur; migrating from Xynilurkur, they settled at Yiecheladda. After settling at Yiecheladda, [the houses had] golden beams above, golden thresholds below, golden pillars in-between. That was where the foreigners lived.
