I thank Anne Umali, Elizabeth Danter, and Alex Kudryavtsev, who contributed to earlier writing about outcomes of environmental education. I also thank Alex Kudryavtsev, Yue Li, and Anne Armstrong for many years of conversation and dedicated work to advance environmental education. This publication was funded in part by the US Environmental Protection Agency (EPA, Assistant Agreement No. NT-83497401) and the US Department of Agriculture (USDA) National Institute for Food and Agriculture funds awarded to Cornell University (Award No. 2016-17-215). Neither the EPA nor the USDA has reviewed this publication. The views expressed are solely those of the author.
