In *Leaders of Reform*, Robert Sherman La Forte examines the intricacies of shifting factions within the state majority party over a two decade period, from the Boss-Busters and political machines of the early 1900s through the formation of a new party behind Theodore Roosevelt in 1913. La Forte discusses the motives, activities, accomplishments, and failures of the progressive Republicans. He provides excellent vignettes of major leaders such as William Allen White, Arthur Capper, Joseph L. Bristow, and Charles Curtis as well as lesser-known characters such as Walter Roscoe Stubbs, Edward H. Hoch, and Cy Leland, Jr. In providing a detailed analysis of virtually all Kansas progressive Republican leaders during the era, La Forte has made a valuable contribution to both state and national political history.

Robert Sherman La Forte was professor of history at the University of North Texas, where he taught for thirty years. In addition to this book, he coauthored three books on World War II history and the authorized history of the University of North Texas.
