Acknowledgements

We would like to thank the following individuals and committees from the University of the Witwatersrand: the Dean of the Faculty of Humanities, Professor Tawana Kupe, the Assistant Dean of the Faculty of Humanities Research Committee, Professor Mark Leon, the Head of the School of Human and Community Development, Professor Maria Marchetti-Mercer, as well as the University of the Witwatersrand’s Research Office, for their generous contributions towards the publication of this book. Professor Norman Duncan is also acknowledged for the significant role he played in ensuring the publication of this book.

We are also greatly indebted to many people who selflessly agreed to review a chapter, purely as an exercise in academic citizenship and as a contribution to a high standard of academic knowledge. We have listed their names below:

Dr Daleen Alexander (University of the Witwatersrand)
