INDEX

A
African debt crisis 13, 23
calls for reparations for 24
and illicit financial flows (IFFs) 27–28
impact on Covid-19 response 27–28
impact on national budgets 28
see also extractivist capitalism: link to Africa’s debt crisis

African eco-feminism 14, 37–38, 85, 99
politics of subsistence and indigenous knowledge within 11–13, 17, 107–108, 114, 121
see also human-nature connection: eco-feminist reinforcement of; South African Food Sovereignty Campaign; WoMin African Alliance

African Eco-Feminist Collective 48
African National Congress 78
Women’s League 150
African traditional leadership 30, 34–35
in South Africa 94–95
African Union (AU) 38
African women entrepreneurs 15
impact of class location on 16, 145, 147–152, 154–155, 159, 161, 232
and participation in ‘care chains’ 150–151
see also social mobility of African women

Afrin region, Syria 59, 61
Ahmed, Sara
and concept of feminist refusals 130, 139
Algeria 52, 58
anti-racism 3, 50, 219
apartheid 34, 110, 134–135, 193
bantustans 94, 132, 156, 197
denial of educational opportunities under 157
racial policies under 146, 156
segregation of nursing profession under 196–198
spatial/socio-economic inequalities under 171–172, 182–183
see also migrant labour system

Ardern, Jacinda 48–49
Assad regime 61
avian flu 28, 46

B
Barcelona En Comú, Catalonia 51
basic services in South Africa 178
privatisation of 176
unequal access to 172, 182–183, 186
Bhattacharya, Tithi 220, 222–226
bird flu see avian flu
Black Sash Trust 180–181
Brazil 10, 132, 223, 227
Budget Justice Coalition 177, 182, 185

C
Cameroon 28, 36
Campbell, Magda 114–115
capitalism see neoliberal capitalism; extractive capitalism; patriarchal capitalism
Casale, Daniela 148, 174, 193
China 132, 217
class inequalities 2, 16–17, 48, 80, 145–146
racialised 2, 107, 134, 156, 187, 193, 217
see also African women entrepreneurs: impact of class location on; gender inequalities: intersectional framework of
class reductionism 219–220, 225
climate change 25
biodiversity loss related to 26, 31, 218, 222
feedback loops 25, 40n5
impact on human health 29, 31
‘threat multiplier’ effect of 30
WMO report on Africa 26
climate and ecology crises 2, 13–14, 25, 32, 104–105, 222
accelerating non-human extinction due to 26, 218
humanitarian distress associated with 23, 27, 31, 63n5
link between Covid-19 pandemic and 14, 23, 25, 32, 86, 90
and parallel exploitation of nature and women 74–76
‘slow violence’ of 86
see also land/soil degradation; pollution
climate justice 2–3, 38, 92, 97, 99, 105, 113, 231
see also environmental justice
Climate Justice and Agroecology Collective 116
Climate Justice Charter for South Africa 120, 228
Cloete, Davine 115–116
coal mining industry, South Africa
opposition to closure of mines in 93–94
support of local authorities for 96
working class struggles within 90–91
see also mining-affected communities; Tendele Coal Mine
colonial period 24–25, 35, 39, 48, 132, 134, 196
see also neocolonialism
resource grabs/dispossession during 29, 61, 103
colonialism 53, 103, 132
impact on agrarian economy of 156
resistance to 38, 56
commons/commoning 24–25, 35
digital 12
food 7, 114, 117–119
of land and resources 35, 108, 113–114
see also customary land tenure systems
community health-care workers 87, 182
impact of Covid-19 on 88, 181
conflict/war
displacement of people due to 13, 23, 30, 59–61
Constitution of South Africa 170, 177–179, 197–198

Constitutional Court 180–181
Co-operative and Policy Alternative Centre (COPAC) 117–120, 122n8
corruption 27, 30–31, 80, 177, 187
see also under personal protective equipment
Covid-19 lockdowns and difficulties with social distancing
measures 1, 87, 92, 99, 173, 182
impact on poor/working class African women 5, 80, 86–90, 122n5, 147, 160–161n3
impact on schools 173
profiteering/price-hiking during 89–90, 174
state use of violence during 92
see also hunger: intersection of Covid-19 lockdowns and Covid-19 pandemic
conjunctural significance of 2–4, 29, 32, 217
as feminist issue 3, 14, 45–47, 51, 69–70, 73
government’s fiscal responses to see Supplementary Budget austerity measures
inequalities exposed by 1, 4, 7, 16, 77–80, 86, 90, 111
liberal feminist responses to 13–14, 47–48, 50–51, 61, 77, 231
reported infection and death rates of 29–30, 87
undermining of African state capacity to deal with 27–28
see also crisis of social reproduction and Covid-19; Rojava region, Syria: role of women’s cooperatives in Covid-19 responses
crisis of social reproduction 1–2, 7, 23, 169, 231
in mining industry 127
role of food sovereignty in addressing 103–105, 108–109, 121, 231
see also crisis of social reproduction and Covid-19; neoliberal capitalism: as cause of social reproduction crisis
in health-care sector 17, 194, 206–210
custodial land tenure systems 13, 25, 34
erosion of 34–35

D

decolonial see decolonisation

decolonisation 12

deco-feminist 11, 13, 25, 33, 38, 108, 227, 233
food sovereignty as tool for 106–108
and reimagining of African development alternatives 2, 24–25, 32–33, 38
see also pan-Africanism: transformative and eco-feminist approach to
deep globalisation and deracialisation of capitalism 9–10
subaltern women as main losers under 4, 10
Democratic Nursing Organisation of South Africa (Denosa) 194, 198, 200–201, 203–205, 209
Democratic Republic of the Congo (DRC) 29, 31
decolonisation of 25

displacement due to conflict/war 13, 23, 30, 59–61

E

Ebola crisis 13, 27–29, 46
eco-feminism 10–11, 18, 218, 224
contested notion of 96–97
grassroots movement behind 14, 114, 118, 120
see also African eco-feminism; just transition; materialist eco-feminism
ecological justice see climate justice
eco-socialism 33, 98, 228
eco-socialist feminism 14, 74–75, 224, 233
see also socialist feminism
emancipatory feminism 2–3, 12, 14, 233
alternative macroeconomic/fiscal policies within 177, 185, 187
anti-capitalist approach of 12, 33, 48, 52, 153, 225–227, 232
indigenous/grassroots 232, 12–13, 121, 232

see also decolonisation; fourth-wave feminism; jineology: anti-statist/anti-capitalist
ideology of; social reproduction theory: emancipatory feminist rethinking of;
women mineworkers: emancipatory feminism of
emancipatory feminism, intersectionality of 11, 14, 17–18, 48, 56, 62, 146, 148, 153, 218, 222, 225–227
Aguilar on 224–225
environmental justice movement 3, 87
activism 38, 75, 99
environmentalism 52, 72, 107, 129
trans- 226
Eurocentrism 13, 46–48, 55, 77–78
extractivist capitalism 2, 23, 39n1
community resistance to 24–25, 33, 37–39, 97, 129, 228
impact on African women of 13, 23, 31–32, 38
link to Africa’s debt crisis 27–28, 31
link between new pathogens and 2, 4, 29, 32–33
as model of development 27–28
wars and civil strife at heart of 30–31
see also coal mining industry, South Africa; patriarchal capitalism: extractivist;
pollution; WoMin African Alliance

F

Federici, Sylvia 18n12, 19n13, 153, 175
feminine, the 76, 79–81
feminism/feminist movement 10, 69
first-wave 11, 69
post-modern 11, 219, 225, 232
second-wave 10–11, 18n12, 69, 79, 219, 225, 231
third-wave 10, 219, 227, 231
see also emancipatory feminism; fourth-wave feminism; liberal feminism
financialisation 173, 182, 186, 218–219, 221, 223–224, 226
