Many people have made this book possible. Early readers and advisors Vincent Chang, Tania Modleski, Jim Kincaid, Hilary Schor, and Pat C. Hoy showed keen interest. Later readers encouraged and edited: Ashley Opp, Lynn Dumenil, and Cecilia Fox. Others continued reading, thinking, and critiquing with me as the book took shape: Gloria Mazzella, Dar- sie Bowden, Lika Miyake, Jacqueline O’Connor, Sandra Chrystal, Arthe Anthony, and the Occidental Writers Network. I thank Elias Rodriguez for technical advice. Through it all, Jay, Hope, and Barry Martinson patiently supported my endeavors. Institutions have had their role, too, and I wish to thank the libraries and librarians at the University of Southern California and Occidental College. Special thanks to Occidental for granting me leave and research funding from the Brown Fund.
