W. dreams, like Phaedrus, of an army of thinker-friends, thinker-lovers. He dreams of a thought-army, a thought-pack, which would storm the philosophical Houses of Parliament. He dreams of Tartars from the philosophical steppes, of thought-barbarians, thought-outsiders. What distances would shine in their eyes!

Only ALFRED HITCHCOCK could have created so suspenseful a sex mystery!

"You don't love me... I'm just some kind of wild animal you've trapped!"

"That's right, Marnie... I've caught you, and by heaven, I'm going to keep you!"

"MARNIE"
