NOISE THINKS THE ANTHROPOCENE
Before you start to read this book, take this moment to think about making a donation to punctum books, an independent non-profit press, @ https://punctumbooks.com/support/

If you’re reading the e-book, you can click on the image below to go directly to our donations site. Any amount, no matter the size, is appreciated and will help us to keep our ship of fools afloat. Contributions from dedicated readers will also help us to keep our commons open and to cultivate new work that can’t find a welcoming port elsewhere. Our adventure is not possible without your support.

Vive la Open Access.

Fig. 1. Hieronymus Bosch, Ship of Fools (1490–1500)
noise thinks the anthropocene: an experiment in noise poetics. Copyright © 2019 by Aaron Zwintscher. The Babel Working Group is a collective and desiring-assemblage of scholar-gypsies with no leaders or followers, no top and no bottom, and only a middle. Babel roams and stalks the ruins of the post-historical university as a multiplicity, a pack, looking for other roaming packs with which to cohabit and build temporary shelters for intellectual vagabonds. We also take in strays.
