Enter the Monster
Every forest needs a monster
Whether or not it exists

The monster punctuates the forest
The monster binds the forest

The monster is Y
The forest
What does the monster do? We do not know, as we are (& are) not there, & where is there, & what is there, & the monster blurs the trees, a blur in the trees.
Does the forest make the monster or
Does the monster make itself a forest?
1 cannot see the monster for the trees.
Y the monster character, hybrid pronoun, misshapen punctuation, question absent mark, undecided spot, mouth tuned to the canopy, standing on 1 leg.
O pronominal monster!
Y, lead the way!
