Volume 18

Global Perspectives on Legal History is a book series edited and published by the Max Planck Institute for Legal History and Legal Theory, Frankfurt am Main, Germany. As its title suggests, the series is designed to advance the scholarly research of legal historians worldwide who seek to transcend the established boundaries of national legal scholarship that typically sets the focus on a single, dominant modus of normativity and law. The series aims to privilege studies dedicated to reconstructing the historical evolution of normativity from a global perspective. It includes monographs, editions of sources, and collaborative works. All titles in the series are available both as premium print-on-demand and in the open-access format.
