Acknowledgements

This edited book was incubated by an Hong Kong international symposium on emotion and proactivity in May 2019. We would like to thank all the speakers, Chen Zhijun, Huang Guo-hua, Emily, Jiang Yan, Lam Chak Fu, Li Wendong, Liang Jian, Liu Wu, Neal Ashkanasy, Ronald Humphrey, Wen Shanshan, Wu Chia-huei, Zhang Lingling, for their encouragement in proposing this book. And five out of 12 speakers are chapter contributors. The event and open access of this edited book are all supported by grants from IIDS–RGC Grant on ‘Fueling the Proactivity by Emotions “Energy”: Through Understanding the Functions of Discrete Emotions in Different Social Settings (UGC/IIDS15/B01/18)’ awarded to Kelly Z. Peng as principal investigator.
