This book is the result of the sustained interaction between the research teams of two projects funded by the European Research Council: *Egalitarianism: Forms, Processes, Comparisons*, led by Bruce Kapferer (ERC-2013-ADG, 340673), and *Making Selves, Making Revolutions: Comparative Anthropologies of Revolutionary Politics*, led by Martin Holbraad (ERC-2013-CoG, 617970, CARP). Most of the chapters of the volume were presented at our event *Rupture*, which was held at University College London in February 2017 and co-sponsored by the research project *Escalations: A Comparative Ethnographic Study of Accelerating Change*, led by Lars Højer and funded by the Danish Research Council. We thank all of the participants in that event for their contributions. We are also grateful to Chris Penfold for chaperoning the book through to publication so skilfully.
