The editors also wish to thank and acknowledge Jean-Noé Landry and the team at OpenNorth for their invaluable support of the project’s administrative processes.

Special thanks are due to the entire African Minds production team: Simon Chislett, Leith Davis, and Tessa Botha, as well as African Minds Director, François van Schalkwyk, for his partnership in the publishing process. Finally, the project also owes a great debt to Nola Haddadian, the Publisher at IDRC, for her tireless support and patience throughout the publishing and editorial review process without which the project would not have been realised.
