Deep gratitude is due to the following:

- Stellenbosch University for granting me a research opportunity which allowed me the time to focus exclusively on my writing.
- My fellowship at the Center for Advanced Study in the Behavioral Sciences (CASBS) at Stanford University (2020–2021). The privilege of this experience provided me with the head- and heart-space to reflect not only upon my work, but on who I am as an academic.
- I am especially grateful to Allison Stanger who offered invaluable comments on initial chapter drafts.
- Aaliyah, for the book cover idea.
- Jonathan Jansen, for graciously writing the foreword to this book.
- My colleagues, for their encouragement and critique.
