PURNIMA MANKEKAR AND LOUISA SCHEIN, EDS.

Duke University Press
Durham and London 2012
PURNIMA MANKEKAR dedicates this book to her brother Ajit Mankekar (1955–2003) for raging against the dying of the light.

LOUISA SCHEIN remembers with this book her grad school theory brother, Mark Saroyan (1960–1994): Your brilliance and your early loss to AIDS pushed me to go deep into sexuality studies.
