## Contents

*List of Sample Second Life® Learning Activities*  xiii  
*Index: Tools to Use*  xv  
*Preface*  xvii  
*Introduction: How to Navigate This Book*  xxi  

### Part I: Introduction to Multi-user Virtual Environments and the Second Life® World  1  
1. Theoretical, Philosophical, and Pedagogical Foundations for MUVE Learning  5  
3. The Virtual World Is Your Classroom: Teaching in Second Life®  28  

### Part II: Types of MUVE Learning Activities  41  
4. An Introduction to General Types of MUVE Learning Activities  43  
5. Solo Learning Activities in Content- or Context-Rich MUVEs: The MUVE as a Learning Crucible  47  
6. Sample Learning Activities 1–3: Solo Learning in Content- or Context-Rich MUVEs  56  
7. Pedagogical Benefits of One-on-One MUVE Learning Activities  64  
8. Sample Learning Activities 4–5: One-on-One MUVE Learning Activities  71  
9. Pedagogical Benefits of MUVE Small Group Learning Activities  82  
10. Sample Learning Activities 6–8: Ethics, Genetics, and Disability Small Group Activities  90
9. Instructor Summary for Individual Students: Ethics Small Group Discussion

10. Grading Rubric: Genetics Discussion Group

11. Grading Rubric: Small Group Learning Activity for Disabilities

12. Sample Learning Activity 13: Clinical Rounds for Systemic Lupus Erythematosus (SLE)

13. Clinical Rounds Learning Activity Description

14. Sample Dialogue from the First Third of Clinical Rounds

15. Sample Dialogue from the Second Third of Clinical Rounds

16. Sample Dialogue from the Last Third of Clinical Rounds

17. Clinical Rounds: Summative Evaluation

18. Tracking Student Performance over Time

19. Grading Rubric for Clinical Rounds Learning Activity 14: Asthma

20. Grading Rubric for Clinical Rounds Learning Activity 15: Osteoporosis

21. Grading Rubric for Clinical Rounds Learning Activity 16: Hyponatremia

22. Grading Rubric for Clinical Rounds Learning Activity 17: Pituitary Function and Pathology

23. Grading Rubric for Clinical Rounds Learning Activity 18: Peripheral Vascular Disease

24. Grading Rubric for Clinical Rounds Learning Activity 19: Pneumonia

25. Clinical Rounds: Template for Planning a Pathology-Focused Learning Activity

26. Student Introduction to Second Life®

27. Student Checklist: Orientation to Second Life®

28. Instructor Checklist: Orientation to Second Life®

29. Emotional Intelligence Learning Activity 20: EI Ability Observed in Public Interactions
30. Emotional Intelligence Learning Activity 21: Quest 1 246
31. Quest 1 Data Analysis Paper: Quantitative Measures Assignment 249
32. Emotional Intelligence Learning Activity 22: Quest 2 EI Attributes 253
33. Emotional Intelligence Attributes Chart and Operational Definitions 256
