THE YEAR IN C-SPAN ARCHIVES RESEARCH

Robert X. Browning, Series Editor

The C-SPAN Archives, located adjacent to Purdue University, is the home of the online C-SPAN Video Library, which has copied all of C-SPAN’s television content since 1987. Extensive indexing, captioning, and other enhanced online features provide researchers, policy analysts, students, teachers, and public officials with an unparalleled chronological and internally cross-referenced record for deeper study. The Year in C-SPAN Archives Research presents the finest interdisciplinary research utilizing tools of the C-SPAN Video Library. Each volume highlights recent scholarship and comprises leading experts and emerging voices in political science, journalism, psychology, computer science, communication, and a variety of other disciplines. Developed in partnership with the Brian Lamb School of Communication and with support from the C-SPAN Education Foundation, this series is guided by the ideal that all experimental outcomes, including those from our American experiment, can be best improved by directed study driving richer engagement and better understanding.
