Every effort has been made to obtain permission and give credit for photographs used in this book. The photographers and the sources of visual material are indicated in the captions. If there are errors or omissions, please contact Purdue University Press so that corrections can be made in any subsequent edition.
I dedicate this book to the memory of my parents, Lois Watterson Cornish and Clarence Frank Cornish. They nurtured me, loved me, and by their example taught me to never stop learning, to revere the natural world, and to be aware of and honor, through photography, the beauty that surrounds us in its multiple forms.
